☐ Continuation Sheet Attached

Brief Description of Argument to be Presented:

Applicants will describe the distinction between non-network and network polymers and will present arguments as to why the non-network polymers of the invention are not anticipated by the art cited by the Examiner and why the claimed invention would not have been obvious over the cited art.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
